Under provisions of Section 4(1) (v), however, no candidate passing the British Institute's Final Examination held after May 1965 shall be eligible to membership of the Institute. The recognition of the said examination under Section 4(1) (v) will, therefore, be operative only in respect of those who have already passed this examination prior to 28th May 1965.

*Registration of Students*

During the year under review 7840 students have been enrolled. This was the record annual registration in the history of the Institute. The total number of Registered Students, excluding those who have discontinued their studentship, comes to over 26,068.

The examinations were held at the regular centres at Ahmedabad, Bangalore, Bombay, Calcutta, Delhi, Gauhati, Hyderabad, Jabalpur, Jaipur, Jamshedpur, Lucknow, Madras, Nangal, Patna, Poona, Trivandrum and Waltair. In addition, four new examination centres were also opened at Cuttack, Durgapur, Nagpur and Ranchi during the year under review.

*Compulsory Coaching*

The compulsory Coaching Scheme initiated by the Council has come into operation from 1st January 1965. Under the Scheme, at persons registering their names as students on or after that date shall be required to undergo a course of tuition for a prescribed period before they become eligible to take the examinations of the Institute. The form of tuition is either postal conducted exclusively by the Institute or oral conducted by any other institution recognised by the Institute for the purpose. The

tuition is also available, at their option, to students who registered their names before the date of commencement of the Scheme. Till the end of March 1965, over 300 students, including those who voluntarily joined the Scheme, were enrolled under the Postal Scheme.

It is hoped that the Scheme will ere long begin to show its effect on examination results.

Shri S. K. Tewari

In addition to the above elected members, the members of the Central Council belonging to a Regional Constituency are also *ex-officio* members of the Regional Council in that Constituency.

The Regional Councils continue to fulfil their functions satisfactorily. Their activities are mainly confined to holding of coaching classes, periodicals lectures, seminars, film shows, discussion of past question papers and extension of library and reading room facilities. There are also other matters to which they concentrate their attention from time to time for development and growth of the profession in general. To encourage expansion of their activities, the Central Council has been giving them grants-in-aid as required.

*Disciplinary Matters*

The Council is happy to state that since the incorporation of the Institute under the Act, there has been no cause for taking disciplinary action under Section 21 of the Act.

*Practice of Companies*

The Council is also happy to state that there has been no occasion so far to take any action under Section 28 of the Act.

*Regulations*

Many important amendments to the Cost and Works Accountants Regulations, 1959, were carried out during the year. These amendments have appeared in the official Journal of the Institute from time to time.

*Functions of the Council*

The Council has pleasure in reporting that most of the functions mentioned in Section 15 of the Act are being carried out.

*Library, Reading Room and Offices*

Library and Reading Room facilities continue to be expanded at the headquarters as well as at regional centres. Valuable additions to these Libraries have been made during the year.

The construction of the new annexe building, to which a reference was made in the last year's Report, having been completed, wider accommodation has become available for the Library and Reading Room as also for the Institute's other offices. Shortage of accommodation is yet felt owing to additional space required for expanding offices, particularly the newly set up Coaching Administration.

*Convocation*

The last Annual Convocation of the Institute was held at Bombay on 9th January 1965 which was addressed by His Excellency, Dr. P. V. Cherian, the Governor of Maharashtra. At this Convocation certificates of pass were conferred on 305 students who were successful at the Intermediate and Final Examinations of the Institute held in January and July 1964. G. Basu Foundation Prize of Rs. 300 in cash was also awarded to the student who was considered to be of outstanding merit in 1964.

*Annual Conference*

The Eighth All India Cost Conference was held at Madras in March 1965 where papers of topical interest were submitted and discussed. The inauguration of the Conference was done by Hon'ble Shri M. Bhaktavatsalam, the Chief Minister of Madras, Shri R. C. Dutt, ICS, Chairman, Company Law Board, was the Chairman of one of the Technical Sessions and also the Chief Guest at the banquet given in that connection. The social and cultural functions, which formed part of the Conference, were entertaining to guests and delegates.

*Fourth Conference of Asian and Pacific Accountants*

The Institute has undertaken jointly with the Institute of Chartered Accountants of India to host the Fourth Conference of Asian and Pacific Accountants to be held in Delhi between 29th November and 2nd December 1965. A Conference Committee consisting of representatives of both the Institutes is presently engaged in making all necessary arrangements. Invitation to attend this Conference has been issued to all the members of the Institute. This being an unique opportunity to meet and understand the view points of many accountants of many countries in this region of the world, the Council sincerely hopes that the members of the Institute will muster strong at this Conference.

*Journal*

The official Journal of the Institute 'The Cost and Works Accountant' is gaining increasing popularity. The

number of subscribers has gone up considerably in the year under review. The total circulation today is over 2,800.

The Council is thankful to the members and others who contributed articles of reasonably good standard. Thanks are also due to Shri N. K. Roy and Shri N. S. Venkatakrishnan who successively took over Editorship of the Journal voluntarily on honorary basis.

*Institute Building*

As reported earlier, the completion of construction of an annexe to the Institute building has fairly eased the inconvenience of acute shortage of space. The growth of the Institute in size and stature, however, continues to put pressure on space. Therefore, the Council feels that construction of another floor on the annexe building is an immediate necessity.

*Short-term Training Course*

Short-term Training Course for various levels of Government Employees is still being continued. Seventeen batches have already completed their training and the eighteenth batch is now undergoing training. The training of nineteenth batch will commence from fourth week of August 1965.

*Research*

The research on a few selected subjects is now in progress. To provide materials for research, seminars and essay competitions on those subjects were initiated by the Council. Preparation of research papers on the basis of these materials is being taken up by the Research & Publications Committee.

*Practical Training of Registered Students*

With the co-operation of a few industrial units, it had been possible to arrange for practical training in Costing of a limited number of Registered Students. Response to an appeal for such facilities not having been very encouraging, the Council could not satisfy all the applicants for such training. The Council, however, records its deep sense of gratitude to the concerns whose co-operation the Council had the privilege to enjoy.

*Companies Amendment Bill*

The Council records its appreciation of the action taken by the Central Government in introducing in Parliament, the Companies (Second Amendment) Bill, 1964 contemplating in one of its proposed amendments to acquire power to order audit of cost accounts, when considered necessary, of companies engaged in certain specified activities. The Council has communicated to the Central Government its own views so far as cost audit is concerned. Besides submitting memoranda to the Central Government and the Joint Committee of Parliament to which the Bill was referred, oral evidence on behalf of the Council was also tendered before the Joint Committee. The Joint Committee has already submitted its report to Parliament incorporating its considered views. The Bill is now awaiting discussion in Parliament, and much will depend upon the form in which it will be passed. The Council hopes that the passage of the Bill through Parliament will open up a new vista to the Costing profession in India.

*Relationship with Government*

The Council is happy to report that cordial relationship exists between the Institute and the Central and State Governments. Contact is also maintained between the Institute and various Government bodies like Planning Commission, National Productivity Council, All-India Council for Technical Education etc. The Council records its appreciation of the increased recognition given to cost accounting by the Central and State Governments and other Government bodies.

*Accounts and Audit*

In terms of Regulation 97, the Council re-appointed Shri S. N. Banerjee, Chartered Accountant and a member of the Institute, to audit the accounts of the Institute for the year ended 31st March 1965. The audited accounts are appended hereto. The audited accounts show a net surplus of Rs. 1,18,125 which has been carried to the Institute Fund.

In the opinion of the Council, the financial position of the Institute is satisfactory.

*Relationship with Employees*

The Council has pleasure in reporting that cordial relationship exists between the Council and the employees of the Institute. The Employees Recreation Club formed with the encouragement of the Council to foster fellowship among employees is being given financial grants for meeting their expenses. Employees Co-operative Credit Society established at the instance of the Council is also functioning satisfactorily and it continues to be of great help to employees in need.

The Council records its appreciation of the devotion, loyalty and sincerity with which the employees have been carrying out their duties under tremendous pressure of work. The Council also appreciates the co-operation it has always derived from the Secretary.

*General*

In general, there has been an appreciable increase in the activities of the Institute. Many eventful occasions marked the year 1964-65 as one of rapid progress. Increasing number of registration to studentship indicates the rising popularity of the profession among young men. The future of the profession, in the opinion of the Council, appears brighter than ever before.

By Order of the Council,

D. D. KALRA  
President

S. N. GHOSE  
Secretary
